

**Proposal for Procuring stitched NCC Uniform NAVY White (AY 2023-24)**

1. Ministry Of Defence granted a new Naval NCC Unit in 2017 and started working at Kavaratti in 2020 onwards. During the covid period, the Unit's function was active and from 2022 onwards the training of cadets also launched on every island except Bithra. NCC is now at the initial stage and facing many issues including the shortage of uniforms and other accessories. Uniform enhances the confidence of the cadet and provides courage and pride among them.
