

BOQ COMPLIANCE DOCUMENTS FOR PROCUREMENT OF ELECTRONIC NON-EXPENDABLE STORES AT SW DIV

<u>S. No</u>	<u>Nomenclature</u>	<u>Detailed Specification</u>	<u>A/U</u>	<u>Qty</u>	<u>Compliance (Yes/No)</u>
1.	Electronic cable three core copper armoured wire	Material – standard plain annealed copper wire (PVC) Operating temp - (-15° C to 70° C) Voltage Rating – 300/500 V Minimum Bend radius – 66mm Current Rating - 6A	Nos	300	
2.	Charger 1.5V AA	Charge- 1.5AA Cells Output current – 6V	Nos	10	
3.	Wodden Multi socket board with 5 set of 15 Amp Sockets	Total power outlets - 05 Special feature -6amp plug top, ON and OFF Switch 4 yard Extension, Mountable, Termite free Shape – Rectangle AC Adapter Current – 6 Amps	Nos	10	
4.	Change over 60 Amp for generator	Operating Mode –ON/OFF Operating Rating – 60 Amp Operating Voltage – 415 Volts (AC) Material – Polybutylene Terephthalate	Nos	2	
5.	Laser pointer Red (Heavy Beam)	Specification – Multiple Mode, laser pointer in small size, light weight & suitable for astronomy , route , patrol, guide, hiking, speech & presentations Colour – Red Material – High quality aluminium alloy Range – 2000 meters in night & 50-150 meter in day light which makes it ideal for a long visual range	Nos	10	
6.	Laser pointer Red (Normal Beam)	Specification – Single Mode, laser pointer in small size, route , patrol, guide, hiking, speech & presentations Colour – Red Material – High quality aluminum alloy Range – 1000 meters in night & 100 meter in day light	Nos	20	
7.	Laser pointer Green (Heavy Beam)	Specification – Multiple Mode, laser pointer in small size, light weight & suitable for astronomy , route , patrol, guide, hiking, speech & presentations Colour – Green Material – High quality aluminium alloy Range – 2000 meters in night & 50-150 meter in day light which makes it ideal for a long visual range	Nos	2	
8.	Laser pointer Green (Normal	Specification – Single Mode, laser pointer in small size, route , patrol, guide, hiking, speech &	Nos	24	

	Beam)	<p>presentations Colour – Green Material – High quality aluminum alloy Range – 1000 meters in night & 100 meter in day light</p>			
9.	Leather Folder (Large)	<p>Colour – File folder brown Material – Faux Leather Style – Traditional Sheet Size – Legal</p>	Nos	48	
10	Automatic voltage regulator for generator	<p>Operating – On/Off Current Rating - 63 Amp Operating Voltage – 220 Volts Contact type- Normal Closed Connector Type – Plug in</p>	Nos	1
