Quality criteria for final acceptance/pro rata deduction/rejection:

Sr. No.	Name of items	Parameter	Acceptable	Specification up to which goods will be accepted on pro rata deduction basis (5% unit)	
1	Maize grain	Moisture	12% Max	Moisture	14% Max
2	Mustard Cake (Expeller)	Moisture	10% Max	Moisture	14% Max
		Crude Protein	34% Min	Crude Protein	32% Min
3	Soybean (DOC)	Crude Protein	46% Min	Crude Protein	44% Min
4	Wheat Bran	Moisture	12% Max	Moisture	14% Max
		Crude Protein	14% Min	Crude Protein	12% Min
5	De-oiled Rice Bran (DORB)	Moisture	12% Max	Moisture	14 % Max
		Crude Protein	15% Min	Crude Protein	13% Min

For execution of supply order of feed ingredients the supply should be made as per following schedule:

	1st Supply	2nd supply
Days	Within 15 days of purchase order	On or before 90 days of 1 st supply
Quantity in percentage	50% of the total quantity of each ingredient	50% of the total quantity of each ingredient

Terms and conditions

- After receiving feed at the institute, feed quality control laboratory of the institute will take the samples and will submit report within 15-20 days. Material will be only accepted after receiving satisfactory report. If the quality is not as per specifications but within acceptable limits, pro rata deduction will be made. Beyond the acceptable limits the feed can be rejected and firm will have to lift the material at their own cost.

2. The feed will be received in bags on net weight basis. Packing material cost i.e. cost of bags is to be borne by the supplier. Packing material will be property of the institute. In case of using poor quality packing bags appropriate deduction will be made.
3. Supply will FOR institute's go-down. Loading, transporting, unloading at CIRC go-down cost will be borne by the supplier.
4. The total quantity will be received as per schedule given and the date for supply of ingredients will be communicated to the firm by the indenter. Required quantity can be increased / decreased by 25% by the competent authority of the institute.
5. In case of inability of supplier to maintain quality of finished product or inability to follow required supply schedule, the contract can be terminated and supplier's security will be forfeited.
